Who we are?

Noah's Ark Lodge was consecrated in 1815 and is the second oldest lodge in Staffordshire.

We pride ourselves on our strong camaraderie made up with a wide range in age and from various walks of life. As well as our charity work, we raise money for local organisations through family events, a skittles night, pub tours and quiz nights.

November 27th, 2015 Noah's Ark observed its 200-year anniversary- an important and memorable occasion for us to celebrate the long-standing history of the lodge.

We pride ourselves on the friendships established not just here but with other lodges we meet through our visiting team of "Arkernauts".

If you would like us to visit your lodge or wish to visit us, or even become a member then please contact our Secretary. W.Bro. P. Beasley P.Pr.G.Supt.Wks.
